Objectives

- ☞ To promote the study of cage birds and to facilitate the exchange of information between members.
- ☞ To educate members and the general public in maintaining a healthy environment for cage birds.
- ☞ To assist in the collection of scientific data and maintain pedigree registration through national affiliations.
- ☞ To encourage the general public to participate in the activities of the Society through meetings, exhibitions and shows.
- ☞ To encourage and protect the interests of fanciers, breeders and exhibitors.

To assist as we are able, in the preservation of rare and endangered avian species.
